Absence from Class and Failure to Complete Class Work

Students are expected to attend all classes for which they are registered. Class attendance is regarded as an academic matter, and the use of attendance records in grading (or for other purposes) is left to the discretion of the faculty member responsible for the course. This will be explained in the course attendance policy written and distributed by the faculty member. The faculty member is responsible for handling any excuses for absences from his or her class. A student-athlete should go to the Center for Student Athletic Services at rolltide.com/ot/cass.html and read the Student-Athlete Handbook.
